WGHB

CHRISTIAN RADIO FOR EASTERN NORTH CAROLINA

1250 AM 5000 WATTS

December 18, 1986

William A. Burrows
709 Division Street
Gloucester City, New Jersey 08030

Dear Bill:

Thanks for tuning in WGHB in New Jersey! Your log is correct and verifiable. WGHB is located in Farmville, N.C. with a directional signal of 5000 watts daytime and 2500 watts nightime. According to your listening report, you picked us up on low power. We broadcast from 5:30 am to 1:30 am, though we do possess a 24-hour license. As you can see from the letterhead, WGHB's Christian radio for eastern North Carolina and we serve the Washington-Greenville-New Bern ADI. At this time we are the only station in Atlantic Coast Communications, but we do have serious intentions about growing.

Thanks again for letting us hear from you and if I can answer any other questions let me know.

Sincerely,

David Moore
Program Director

DM/mom
